## 2011, THE INTERNATIONAL YEAR for PEOPLE of AFRICAN DESCENT!

The following quotation was taken from a press release - "NEW YORK, December 24, 2010/African Press Organization (APO)

On 18 December 2009, the **United Nations General Assembly** proclaimed the year beginning on **1 January 2011 the International Year for People of African Descent.**

**The Year aims at strengthening national actions and regional and international cooperation for the benefit of people of African descent in relation to their full enjoyment of economic, cultural, social, civil and political rights, their participation and integration in all political, economic, social and cultural aspects of society, and the promotion of a greater knowledge of and respect for their diverse heritage and culture.**

**The General Assembly encourages Member States, the specialized agencies of the United Nations system, within their respective mandates and existing resources, and civil society to make preparations for and identify possible initiatives that can contribute to the success of the Year.**
